Courses require teacher/counselor approval

Log in Process:

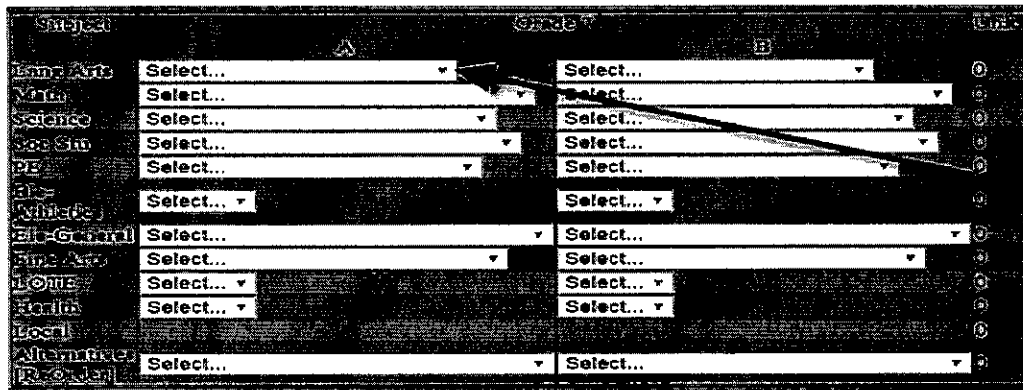

1. Go to the CISD Homepage, www.conroeisd.net
2. Select the Parents/Students tab at the top of the home page
3. Select Student Access Center

4. Log into your account using your user name, student ID, birthday, grade level and current campus.

5. Select JH Reg in the task bar options.
6. Using the drop down menus, select one Language Arts, Math, Science and Social Studies course for Semester A and Semester B. Next, choose electives until your total units = 7.

7. The last day to make any changes online to course selection is Friday, February 24th. Final verification sheets will be sent home in March.

ELECTIVES:

9705/9805 Beginner Band (Credit: 1)

This class is for new instrumental musicians. Selection of instruments is made upon the recommendation of the band director. Students will be required to purchase various instrument supplies and rent/purchase their chosen instrument. Students who choose band as an elective are making a commitment to remain in the program for the entire year. A fee will be charged if a student is using a school-owned instrument.

9704/9804 Band (Credit: 1)

Students develop musical ability by participating in large and small ensembles and solo performances. Students will be expected to attend various rehearsals and performances outside the regular school day. Students are placed in appropriate band classes commensurate with their skill levels following a competitive audition. Students who choose band as an elective are making a commitment to remain in the program for the entire year. A fee will be charged if a student is using a school-owned instrument.

9725/9825 Choir (Credit: 1)

Students participate through group and solo activities that allow them to develop vocal and choral techniques that include reading, listening and appreciation. Students will be expected to attend various rehearsals and performances outside the regular school day. Students are placed in appropriate choir classes commensurate with their skill levels following a competitive audition. Students who choose choir as an elective are making a commitment to remain in the program for the entire year.

9717/9817 Beginner Orchestra (Credit: 1)

Beginner Orchestra is for new string musicians (violin, viola, cello and string bass only). Instrument selection is made with the recommendation of the orchestra director. Students will be required to purchase various instrument supplies and rent/purchase their chosen instrument. Students who choose orchestra as an elective are making a commitment to remain in the program for the entire year. A fee will be charged if a student is using a school-owned instrument.

9724/9824 Orchestra (Credit: 1)

Students continue to develop their appreciation and understanding as musicians through performance in large and small groups and solos. Students will be expected to attend various rehearsals and performances outside the regular school day. Students are placed in appropriate orchestra classes commensurate with their skill levels following a competitive audition. Students who choose orchestra as an elective are making a commitment to remain in the program for the entire year. A fee will be charged if a student is using a school-owned instrument.

9740H/9840H Theater Arts (Credit: 5)

Students will learn expressive techniques, acting concepts, theater production concepts and appreciation of theatrical events. They will learn mime, improvisation, basic combat techniques, and character development. In class, students will explore script writing and will participate in storytelling, puppetry, Reader's Theater, and play production.

9741H/9841H Theater Arts II (Prerequisite: Theater Arts I) (Credit: .5) Spring Semester Only

Students extend and continue activities and objectives of Theater Arts I. They will increase their experiences in expressive techniques, acting concepts, theater production concepts and appreciation of theatrical events. Students will participate in a variety of activities including Reader's Theater, single and ensemble acting, improvisation, script writing, and all aspects of play production.

9842 Theater Troupe (Prerequisite: Theatre Arts I) (Credit: .5) Fall Semester Only

Students will develop and experience a working knowledge of play production through various performance opportunities. Students will be expected to attend rehearsals and performances outside the regular school day. Students who choose Theater Troupe as an elective are making a commitment to the program.

9743H/9843H Art I (Credit: .5)

Through a variety of two and three-dimensional mediums, students build a strong foundation in the elements and principles of art. The curriculum allows each student to build on previous art experiences and prepares them for more advanced levels of art. Students will be exposed to and encouraged to develop an art portfolio.

9744H/9844H Art II (Prerequisite: Art I) (Credit: .5)

Students create art with emphasis on art history: prehistoric to modern. A portfolio will be developed and maintained.

9845H Art III (Prerequisite: Art II) (Credit: .5) Spring Semester Only *Teacher Approval Required*

Students will focus on applying their knowledge of the elements and principles of design into works of art that convey concepts and ideas that are original and unique. Independence is highly encouraged in the creative decision-making process. The main focus of the class will be the development of a portfolio that meets the requirements for acceleration into the HS Art II curriculum.

9748H/9848H Ceramics (Prerequisite: Art I) (Credit: .5) Spring Semester Only

While exploring a variety of hand building and glazing techniques, students will incorporate theory and technique to create complex and interesting three-dimensional art forms.

9751H/9851H Exploring Languages (Credit: .5)

The student will explore and experience the linguistic skills of Spanish, German, and French through listening, speaking, reading and writing. They will gain skills in studying a language and learn about the cultures associated with these three languages. This course does not count toward high school graduation requirements.

9753H/9853H Debate (Credit: .5)

In this course students will learn to plan, prepare, research, analyze and develop speaking skills. All students will participate in several individual speaking categories: impromptu speaking, extemporaneous speaking, oratory, and oral interpretation. Students will be expected to attend area debate competitions outside the regular school day.

9754H/9854H CI: Technology I (Credit: .5)

This course investigates the tools, materials, and processes utilized in today's technical career fields. An emphasis on math, science and reading, to explore valid, current educational and career opportunities will drive this program. Students will fully engage each technology related career topic by experiencing activities and projects that relate to each topic. Whether it is programming a robot, building a rocket, or filming a news brief student's gain current knowledge in a practical instructional format. Students will incorporate decision-making tools and problem-solving skills for college and career planning. This course builds upon skills from academic subjects, information technology, and interpersonal communication to give each student a solid foundation to make personal career choices.

9755H/9855H CI: Technology II (Credit: .5)

This course uses a systems technology, as it relates to tools, materials, and processes, with an emphasis on math, science and reading, to explore valid, current educational and career opportunities. Through cooperative learning and project management, the student will gain a better understanding about themselves, their interests, and their abilities. Students will incorporate decision-making tools and problem-solving skills for college and career planning. This course builds upon skills from academic subjects, information technology, and interpersonal communication.

9758H/9858H CI: Human Services (Credit: .5)

The goal of this course is to create a culture of high expectation and continuous improvement that provides middle school students with the fundamental life skills required for personal life management. The principal life skills obtained from this course will include money management, career development, food and nutrition, child development, and parenting skills.

9887H CI: Computer Science II (Credit: .5) *Teacher Approval Required*

This is a beginning multimedia class with an emphasis on skills required for basic website construction. Topics include vector and bitmap graphic creation and modification, creation of Flash movies, and website development and creation.

9763H/9863H Teen Leadership (Credit: .5)

This course develops business, professional, and leadership skills. Students learn the importance of principle-centered living, how to handle peer pressure, communicating effectively, building meaningful relationships, making responsible decisions and the importance of goals.

9765/9865 TV Broadcasting (Credit: 1) *Teacher Approval Required*

9867H College and Career Readiness (Credit: .5) REQUIRED 8th GRADE ELECTIVE

The primary goal of this course is to introduce students to life and workplace skills by identifying individual values, aptitudes, interests, talents, and current occupational abilities. This course will also help prepare students for high school and college by examining their personality temperaments for potential future career choices. Students will set up their own personal career plan and create a guideline for their life. Various occupations will be explored based on computer research and other resources.

9897H Office Aide (Credit: .5) *Counselor Approval Required*

Students will assist the various offices and library staff in daily paperwork, running errands, and basic office duties.

High School Credit:

J080H Health (Credit: .5) *REQUIRED HIGH SCHOOL COURSE*

This course helps students acquire the information necessary to become healthy adults and learn behaviors in which they should or should not participate. Students use problem solving, research and goal setting to gain knowledge and skills useful in making decisions in the areas of nutrition, CPR and First Aid, maturity, diseases (including STDs) and drug use.

J260H Communication Applications (Credit: .5)

Students will learn communication theory and have the opportunity to develop practical skills for both professional and social communication.

J300I Spanish I (Credit: 1) (Beginner)

This course offers basic understanding of the Spanish language and exposure to the culture of the Spanish-speaking world. Introduction to basic vocabulary and grammar will enable students to learn to discuss everyday topics such as family, school, numbers, time, weather, and clothing. Oral and written practice is stressed. Because of the grammar requirements, a strong basis in language arts is required. Successful completion of this course earns the student one LOTE high school credit.

J316I Spanish I Native Speakers (Credit: 1) (Can Fluently speak Spanish)

This course is designed for students whose home language is Spanish. Students will be given the opportunity to expand their ability to comprehend, speak, read, and write Spanish in accordance with their linguistic and cultural strengths. Emphasis will be on reading and writing Spanish, and the understanding of grammatical concepts. Students will be prepared to move on to Spanish II at the completion of this course.

J311I Spanish II Native Speakers (Credit: 1) (Can Read, Write and Speak Spanish)

Successful completion of Spanish II NS will result in retroactive Spanish I credit. This course offers advanced understanding of the Spanish language and exposure to the culture of the Spanish-speaking world. The basic skills of reading, writing, speaking, listening, and understanding the cultures are continued. This course emphasizes grammatical concepts. Oral and written practices are stressed.
