

HEY FUTURE TIGERS!

Are YOU
ready for
JUNIOR
HIGH?

[Where will you go to Junior High?]

Peet Junior High Cubs

Washington Junior High Bulldogs

[Making the leap to Junior High...]

- High expectations for behavior
- Increased independence
- Preparing for the academic rigors of High School
- Lots of extracurricular activities!

Pre-AP – For HS and beyond...

- ◆ Requires much independent study
- ◆ Challenges even motivated students

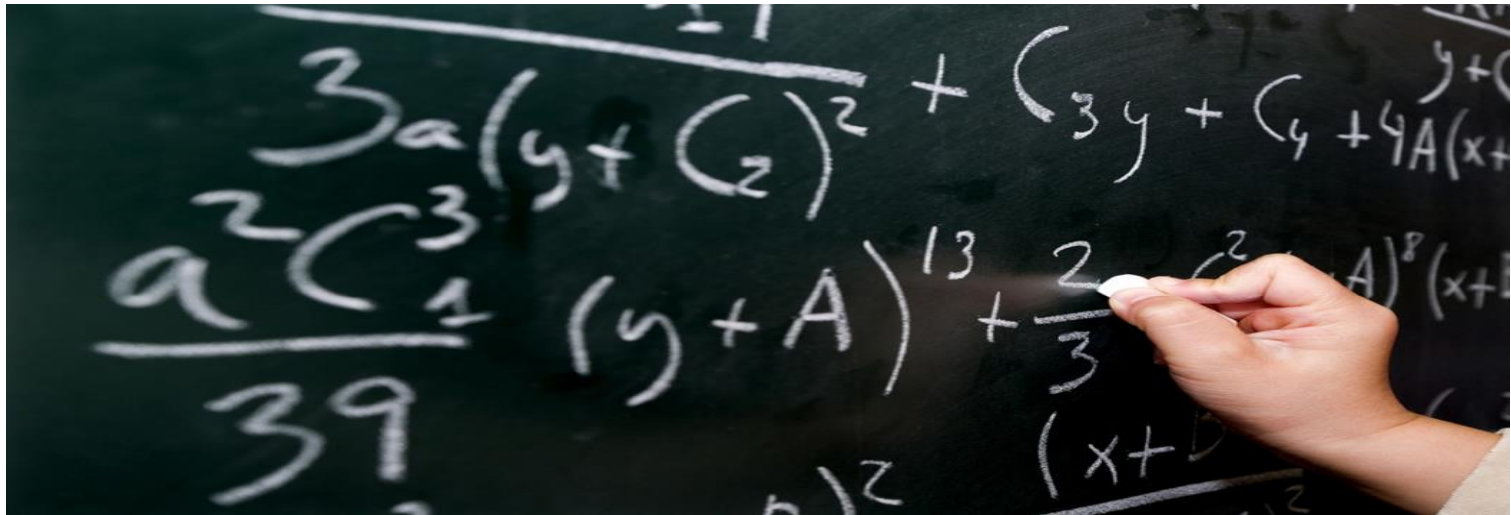

Who Should Take Pre-AP Courses?

- ◆ There are 24 hours in a day. Evaluate how much time will be spent in other activities such as athletics, fine arts, church, and outside of school activities (Don't forget family time!)
- ◆ We expect much more of secondary students. Successful Pre-AP students will need to spend more time on homework, research, and outside class participation.

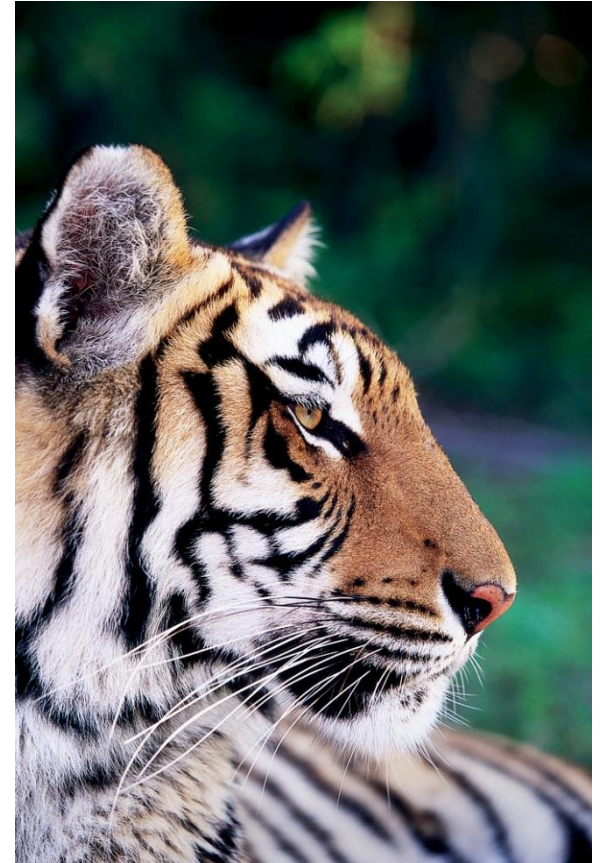

Math Placement

- 7th grade Level math
- Pre-Algebra for 6th grade Advanced math
- Pre-Algebra for 6th grade Level math – skipping 1 year of math
- Benchmarks, Common Assessments, final average, STAAR
- Algebra 1: Summer Acceleration Course or Credit by Exam

Plan now to prepare for High School!

- Classes offered in 8th grade for HS credit
 - Health
 - Communication applications
 - Spanish
 - Higher level math such as Algebra and Geometry
